Up to 65% LTV where units average £750,000 or above. Standard procurement fee applies. All rates are per month. The LTV will be considered across lending on all securities (first or second charge). If the applicant can provide additional security for a loan this may mean the interest rate payable is lower than it would otherwise be, or that we're able to consider a loan which would otherwise exceed the maximum LTV utilising a single security.

KEY CRITERIA AND GENERAL INFORMATION.

PRODUCT FEATURES.

- No exit fee.
- No early repayment charges (a minimum of 1 month's interest must be paid).
- Retained interest for the full term of the loan is available for regulated and non-regulated bridging (monthly payment options available for non-regulated bridging).
- All regulated mortgage contracts must be submitted on an advised basis only.
- The lower of the LTV/LTP will be used.
- A £145 assessment fee applies to all products that can be deducted from the advance on completion.
- Non-regulated applications from limited companies are acceptable.

£1,000,000+	Contact us for details.		

For non-GDV applications, valuations will be instructed by us in line with the standard valuation fee scale.

The following property types require a VAS valuation:

- HMOs with 6 or more lettable rooms
- Multi-unit blocks of 6 or more units
- Heavily HMO-adapted properties of 5 or 6 units
- Multiple houses held under a single freehold
- Hybrid residential properties
- High-value single properties (£5 million+)
- Properties requiring heavy refurbishment or GDV lending.

If a property meets any of the above criteria, a bespoke valuation quote must be requested directly from VAS, and the broker should instruct the valuation via the VAS portal.

We'll aim to use an AVM for standard bridging finance where possible, providing:

- The purchase price/property value does not exceed £1.5million
- The loan has a gross LTV of 75% or below. When multiple properties are used as security, an AVM can be used for each property where the overall LTV is 75% or below
- The AVM achieves an acceptable confidence level as determined by Rightmove.

AVMs are not available for:

- Heavy refurbishment loans
- HMO and multi-unit properties
- New builds or properties recently converted in the last 24 months
- Properties that have never been occupied
- Properties with more than two acres of land
- Properties built using Modern Methods of Construction
- Properties above or adjacent to commercial properties
- Flats
- Leasehold properties with less than 85 years remaining on the lease
- Listed buildings
- Suspected poor condition.

We'll notify you at DIP stage if you qualify for an AVM. If an AVM can't be used a physical valuation will be required.
